Spring 2020

UPDATE

We regret to announce that due to the COVID-19 outbreak and the actions taken to halt the spread of the virus we have decided to **CANCEL our Gatsby Days event for 2020.**

At this point, we have received no official information as to the status of the other activities listed in our *"Calendar of Upcoming Events"*. Please check with the sponsors of those events for any updates.

A bit of **GOOD NEWS** we are pleased to pass along

Due to the **public support** of our events and the **commitments of our loyal sponsors** we will be able to award our scholarships to deserving applicants in the Class of 2020 for their continuing education in the arts.
